The Facebook logo, consisting of the word "facebook" in white lowercase letters on a blue rectangular background.

The following is an article that was printed in the Times Tribune on February 1, 2019 by Bill Sarnak  
Karl Marx declared that religion is the opiate of the masses.

Modern capitalists may have invented a better one, Facebook, the world's most popular social network with more than 200 million users in the United States and more than 2.27 billion worldwide. Facebook consistently has broken promises about safeguarding user privacy or protecting users from manipulation by malign forces. Facebook exploits a vulnerability in human psychology to addict users. In many ways it's ripping apart the social fabric of how society works.

Initially, Facebook was supposed to be the great hope for democracy. Facebook has led to less human interaction, not more. It has suppressed human development, not stimulated it. Consequently, American society has regressed.

Facebook is an Orwellian surveillance machine. It records, tracks and stores everything users do. "For those who buy or access this information, it provides a comprehensive picture of the individual. Facebook has the ability to access your computer or smartphone, microphone without users' knowledge. By partnering with data-brokering companies, Facebook has access to an incredible amount of data that has nothing with what users post online. Facebook has information on credit card transactions, where users live, shop, how families spend their time, where people work, what they eat, read and listen to. Information is collected about websites users peruse, outside of Facebook's platform. This allows Facebook to target users to sell ads.

In order for Facebook's business model to work, it has to remain a surveillance machine. In short, it's the ultimate advertising tool. The price is users' privacy. The United States has no laws governing technologies that utilize the kinds of data collection done by Facebook. My advice is to engage in real time, face-to-face relationships that are full and meaningful that will enrich your life the way God intended.

Meet Payton, an adorable and courageous little girl, who just recently turned two years old. In October 2018 Payton was diagnosed with high-risk acute lymphoblastic leukemia (ALL) and is currently undergoing chemotherapy treatments at Cohen's Children's Hospital. Payton has two siblings, including a twin sister. Payton's mom and dad are not only dealing with the stress of a child battling pediatric cancer but they are also faced with burgeoning medical expenses.

If you would like to assist this family, come join us on May 5, 2019 (rain date May 19), from 8:30am-1pm, at our twelfth annual CYO Car Wash vs Cancer fundraiser at Holy Family School in Hicksville. The proceeds from this event will be donated to Payton's family. With only one parent working and mounting medical bills, this family really needs our help.

There are several ways you can help. First, come get your car washed. Second, volunteers to wash cars are desperately needed. Please let me know if you or your child are available to wash cars-even if it is just for an hour. Finally, donations are welcome. If you cannot attend the car wash but would like to donate please make your check payable to Eric Barboza (Payton's dad) and send to me at 2 Mitchell Ct. Hicksville NY 11801.

If you have any questions please email me at [hebsweb@optonline.net](mailto:hebsweb@optonline.net) or call me at 516 761 6647.

Thank you

### **ADOPT A GARDEN**

The "Adopt a Garden" volunteers strive to beautify the gardens and grounds around St. Ignatius Loyola. Each volunteer or volunteer family has an area that they beautify during the garden season, beginning around mid-May.

You will need to weed, plant and water your adopted garden. About an hour a week is all that you will need to maintain your garden. Each adopted garden will have a sign with the volunteers name on it. We have various sized gardens that are available for adoption. If you are interested, please call Bart at 516-225-4177 or Judy/Gene at 516-433-8037. Thank You and God bless you.

### **"Continuing our Mission"**

*Please remember to fulfill your pledge.*

**When sending in your Capital Campaign payments in the Sunday Collection baskets, please use a separate envelope marked "Capital Campaign". It makes it hard for the counters to distinguish some of these checks as they may go toward the weekly collection. Thank you so much for your cooperation.**

# COMUNIDAD HISPANA

Nosotros seguimos siendo los testigos del resucitado en nuestro mundo. Cuando nos sentimos cansados, celebramos la Eucaristía y Jesús se hace pan bendito que nos da la fuerza para seguir creyendo, para seguir proclamando el Evangelio, la alegría de sabernos salvados, la esperanza de un futuro nuevo en fraternidad. Y el compromiso para, aquí y ahora, comenzar a vivir el amor a nuestros hermanos y hermanas.

Para la reflexión

*¿Alguna vez me he sentido desanimado y he pensado que no vale la pena ser cristiano ni esforzarse en amar y en perdonar a todos?  
 ¿Ha sido la Eucaristía, la Misa, el lugar donde he encontrado la fuerza para seguir adelante?  
 ¿Qué siento cuando comulgo?*
