Clergy Corner

My dear St .Ignatius Parish family,

At the very onset, on behalf of the Clergy, Deacons, Nuns and Staff we wish you all

A HAPPY & PROSPEROUS NEW YEAR 2021.

The development of vaccines for Covid, indeed is a ray of light at the end of the tunnel. Let us hope that the vaccine will be effective and will end this pandemic very soon. May we be able to go back to our normal life as soon as possible, so that we can do many things more effectively for the service of others, and for the greater glory of God.

As we are in the first days of the New Year, I really hope that by now many of you have set up an altar at home and started reading the Bible. Last Sunday, we celebrated the feast of the Holy Family. There is a reason and purpose why Jesus chose to be born in a family. Jesus, the new Adam, came not as an adult, in the way Adam was created. By being born as a baby, He sanctified families. It is in the Holy Family, the “first miniature Church” was formed. He gave us the clear message that every home is a domestic church. It is there, faith is nourished daily through prayers and activities. When you love one another and care for each other, that means faith in action. May parents become good role models for their children. May children grow in obedience to parents. Let us be thankful for our dearly departed, and let their memories be cherished fondly, and not sadly, in the hope that we all will one day be with our Lord. I would like to remind you that family that prays together stays together.

As we are looking forward for another new year, and after making many resolutions by now, we should reflect for a moment, about the plans we made for 2020, the goals we set, and how much we accomplished. Last year was definitely a challenging year, and the Covid was indeed a reason for the failure of our plans. But what about the other years. Every year, we make many goals. Most of them are extremely good, but at the same time, difficult to do in the long run. So as we start this year, we should make more realistic goals. As the saying goes, well begun is half done. But, beginning well is not enough. Like Jesus and St. Paul, we should be able to finish it. The Wisemen, on their journey to see the Messiah, had faced many difficulties as well as the comfort of a palace. But neither turbulence nor comforts prevented them from finishing the journey they started to worship Jesus.

Having said that, I invite your attention to the “The Waving Girl” statue in Savannah. The girl behind the statue, Florence Martus was the sister of the Elba Island light keeper. She never left the port of Savannah, Georgia, between 1887 and 1931. For more than four decades in a true spirit of hospitality, she greeted and waved at every ship that passed with a table cloth or towel by day and a lantern by night. For more than 44 years she never missed a ship, and each ship as it passed, returned her salute with three blasts of the whistle. The captain who brought the statue refused payment because of the fond memories he had of Florence. When entering the Savannah River, some ships blow their horn to salute the monument to this day. That was the impact of her welcoming persona. When we make decisions, it is not enough to have enthusiasm in the beginning, but it should be there till we accomplish our goal. The statue also gives us another good lesson. We should be able to love and serve others selflessly and remain in their hearts even after our death. Then only our Christian life is fulfilled. We have to continue, what we celebrated at the Altar of the Lord. Then only the celebration becomes really meaningful. Otherwise it will become just a ritual, a monotonous practice.

May God bless us all and enable us to fulfill our plans and dreams. May He give us good health and peace of mind in this new year.

In Jesus and Mary,

Fr. Shibi Pappan

“Pray as though everything depended on God; Act as though everything depended on you”.

Mi querida familia parroquial de San Ignacio:

Desde el principio, en nombre del clero, los diáconos, las monjas y el personal, les deseo a todos

UN FELIZ Y PRÓSPERO AÑO NUEVO 2021.

El desarrollo de la vacuna para Covid es un rayo de luz. al final del túnel. Esperemos que la vacuna sea eficaz y ponga fin a esta pandemia muy pronto. Que podamos volver a nuestra vida normal lo antes posible, para que podamos hacer muchas cosas más eficazmente para el servicio de los demás y la mayor gloria de Dios.

Como estamos en los primeros días del Año Nuevo, realmente espero que ya muchos de ustedes hayan instalado un altar en casa. El domingo pasado celebramos la fiesta de la Sagrada Familia. Hay una razón y un propósito por el que Jesús eligió nacer en una familia. Jesús, el nuevo Adán, no vino como adulto, en la forma en que Adán fue creado. Al nacer como un bebé, santificó a las familias. Es en la Sagrada Familia, se formó la "primera Iglesia en miniatura". Nos dio un mensaje claro de que cada hogar es una iglesia doméstica. Está ahí, la fe se nutre a diario a través de oraciones y actividades. Cuando se aman y se preocupan por los demás, eso significa que la fe está en acción. Que los padres se conviertan en buenos modelos para sus hijos. Que los hijos crezcan en obediencia a sus padres. Seamos agradecidos por nuestros seres queridos y dejemos que sus recuerdos sean apreciados con cariño, y no con tristeza, con la esperanza de que algún día todos estemos con nuestro Señor. Me gustaría recordarles que una familia que reza unida permanece unida.

Mientras esperamos con ansias otro año nuevo, y después de haber tomado muchas resoluciones a estas alturas, deberíamos reflexionar por un momento sobre los planes que hicimos para 2020, las metas que nos propusimos y cuánto logramos. El año pasado fue definitivamente un año desafiante, y Covid fue de hecho una razón para el fracaso de nuestros planes. Pero ¿qué pasa con los otros años? Cada año, tomamos muchas resoluciones y establecemos metas. La mayoría de ellos son extremadamente buenos, pero al mismo tiempo difíciles de hacer, a largo plazo. Entonces, al comenzar este año, deberíamos establecer metas más realistas. Como dice el refrán, "bien empezado está a medio hacer". Pero empezar bien no es suficiente. Como Jesús y San Pablo, deberíamos poder terminarlo. *Los magos, en su camino a ver al Mesías, enfrentaron muchas dificultades, así como la comodidad de un palacio en su viaje. Pero ni la turbulencia ni el consuelo les impidió terminar el viaje que iniciaron para adorar a Jesús.*

Habiendo dicho eso, les invito a que presten atención a la estatua de "The Waving Girl" en Savannah . La chica detrás de la estatua, Florence Martus, era la hermana del guardián de la luz de la isla de Elba. Nunca abandonó el puerto de Savannah, Georgia, entre 1887 y 1931, durante más de cuatro décadas con un verdadero espíritu de hospitalidad. Saludaba a cada barco que pasaba con un mantel o toalla de día y una linterna de noche. Durante más de 44 años nunca perdió un barco, y cada barco, a su paso, le devolvió el saludo con tres toques de silbato. El capitán que trajo la estatua rechazó el pago debido a los buenos recuerdos que tenía de Florencia. Al ingresar al río Savannah, algunos barcos tocan la bocina para saludar al monumento, hasta el día de hoy. Ese fue el impacto de su personalidad acogedora. Cuando tomamos decisiones, no es suficiente tener entusiasmo al principio, pero debe estar ahí hasta que logremos nuestro objetivo. La estatua también nos da otra buena lección. Deberíamos poder amar y servir a los demás desinteresadamente y permanecer en sus corazonas incluso después de nuestra muerte. Entonces solo se cumple nuestra vida cristiana. Tenemos que continuar, lo que celebramos en el Altar del Señor. Entonces solo la celebración se vuelve realmente significativa. De lo contrario, se convertirá en un ritual, una práctica monótona.

Que Dios nos bendiga a todos y nos permita cumplir nuestros planes y sueños. Que nos dé buena salud y tranquilidad en este nuevo año.

En Jesús y María

P. Shibi Pappan

YOUTH HOLY MASS

We are incredibly excited to announce that an opportunity we are providing for the children, teens and youth of our parish is by having a special “youth –led” Mass on last Sunday of every month, at the 12.30 pm Mass starting this month.

Celebrant: Rev. Sean Magaldi, Diocesan Vocations Director.

WISH YOU ALL A HAPPY FEAST OF EPIPHANY.

Interesting facts on Epiphany

- The word Epiphany means “manifestation”.
- The feast of Epiphany is celebrated 12 days after Christmas. So though the traditional date for the feast is January 6, in the United States, it is moved to next Sunday.
- Epiphany is the feast of The Three Magi - whom the Bible describes as wisemen from the East.

- The word Magi comes from the Greek word ‘magos’ from which the English word magic also is derived.
- Magi was the title given to the priests in a sect of the ancient Persian religions. Today they are known as astrologers. They would have followed the patterns of stars for religious purposes.
- The Magi would have known about the prophecies about Messiah, the Saviour.
- The wisemen knew that Jesus is the King of kings. So **Gold**, the metal of kings was gifted to acknowledge the **Kingship of Jesus**.
- **Incense** was used in the temple to worship and was also mixed with oil to anoint the priests of Israel. The wise men pointed to Christ as the great High Priest. So incense shows the **Priesthood/ Divinity of Jesus**.
- **Frankincense or Myrrh**, was used on dead bodies to make them smell good, during the burial process. This was to show the **suffering and death of Jesus**.
- Legends have given these names and descriptions to the wisemen.

| Gift | Name of the Magi | Cloak color | Hair color | Beard Color |
|---------|------------------|-------------|------------|----------------|
| Gold | Melchior | Gold | White | White |
| Incense | Gaspar/Caspar | Green | Brown | Brown/no beard |
| Myrrh | Balthazar | Purple | Black | Black/no beard |

- Eager to know what happened to the gifts? Well Bible doesn't tell us that because Christmas is not about the gifts we bring, but it's about the gift God gives. As St. Paul said, while we were still sinners, Jesus was born into the world, died for our sins and was resurrected to give us His glory.
- However, one legend says that the thieves who were crucified with Christ had stolen the gifts. Another story tells that this myrrh was used in His burial. A more practical story is that Joseph used the gifts for the expenses of the family.

Bulletin Reflection

In today's Gospel, we read of the coming of the Magi to adore the newborn Son of God.

Living Stewardship ~ Pillar of Service:

As the Magi presented the newborn Jesus with gifts, we can also give gifts to Him when we help others.

Prayer for Grace for Our Country

Dear Father united to Jesus in the Holy Sacrifice of the Mass, The Sacrifice of Calvary sacramentally made present, celebrated around the world, in the Holy Spirit. We offer up all we do united to the Mass. We unite in one mind and one heart as members of the Mystical Body of Christ, with Christ our head in the pure and holy Hearts of Jesus and Mary, through the powerful intercession of Mary with all the angels and saints and souls in purgatory, and we beg for the saving grace, for our country, the United States. Please help us. We further pray for unity to always do the will of God in love. We spread the Blood of Jesus on the leaders and people of the United States and cast the devil into hell. We consecrate our country to the Sacred Heart and Immaculate Heart and all our dioceses, and beg for an outpouring of the Holy Spirit, God help us. We pray for our families, the priests, the Church and the world. In the Name of Jesus please hear us, we pray. We pray for our president and leaders. We pray that we are united as one nation under God to work together in love as God wants.

Why not consider memorializing one of the following items used for our weekly Liturgy: The names will be listed weekly in our bulletin; therefore, your loved one will be remembered.
